

## **IDEAS ABOUT SUMMER 2020**

If no official summer camp is held on-site, then we could look at utilizing our summer staff to serve Christ through serving our community. We could look at where help is needed, and use our staff to meet those needs. For example, could we use our staff to deliver food (or other needed supplies) to those who cannot leave their homes? Would churches, government or other outside entities help fund this? (Brent Seaks, Badlands Ministries, 701-290-6973 or bseaks@hotmail.com)

If no official summer camp is held on-site, could we still hire some summer staff to do on-line Bible studies and perhaps even lead games, songs, and craft activities to youth and/or families? (Brent Seaks, Badlands Ministries, 701-290-6973 or bseaks@hotmail.com)
